Dear Vendor:

The U.S. Court of Appeals for the Ninth Circuit is establishing new office space at 280 S 1st Street, San Jose, California. Contractors are invited to submit a proposal for the installation of data cabling and associated materials and labor. The conduit for cabling is scheduled to be completed on or about April 12, 2016. The date for cable installation will be determined after the award is made. Attached is the Statement of Work.

The contractor awarded the job will be required to register in SAM so a Purchase Order can be issued and payment made by electronic funds transfer. There is no cost for SAM registration and the Court will provide guidance for registration.

The Court reserves the right to make an award based on initial proposals if no clarifications are requested. Therefore, the contractor should submit best and final pricing with their initial proposal.

Your proposal must include:

- Cost for all labor and materials, including freight, delivery, fees, etc.
- Number of days required to begin project after Award.
- Estimated duration of the project.
- Detailed specifications on the work to be performed.
- Warranty terms.
- Where to send purchase order and the remit to name, address, fax number.
- How quickly cabling work can commence upon award or a purchase order.

Your quote must be received on or **before 5 p.m., April 13, 2016**, via email to [Vanessa\\_Urrutia@ca9.uscourts.gov](mailto:Vanessa_Urrutia@ca9.uscourts.gov), or fax to (415) 355-8552.

Quotations that meet all of the above requirements will be considered and the award will be made to the vendor with the lowest price, technically acceptable offer, on or about April 15, 2016. Please note: Only new, no re-manufactured

materials are acceptable. The Contracting Officer will not sign any commercial agreements. See attached Clauses Appendix 1B:
